Progress Review:

Joint Declaration on legislative priorities 2026
One Europe, One Market Roadmap

State of play October 2026

Version: 14 October 2026

In the **Joint Declaration for 2026** the three institutions committed to working on shared key legislative proposals and to monitoring their progress throughout the year.

The **One Europe, One Market Roadmap** commits to delivering a fully integrated and fairer Single Market by the end of 2027.

Key achievements since the last progress review in June 2026

13 proposals launched

- *Affordable Housing Act*
- *Fair Labour Mobility (5)*
- *Omnibus XI - Taxation*
- *Omnibus XII - Energy products*
- *Public Procurement Act*
- *Network Charges and Taxation*
- *ETS Review (3)*

10 mandates obtained

- *Single Market and Customs Programme 2028-2034*
- *Amendment to the Market Stability Reserve*
- *Omnibus VIII - Environment - INSPIRE*
- *Sustainable Finance Disclosure Regulation (PRIIPS)*

6 negotiations started

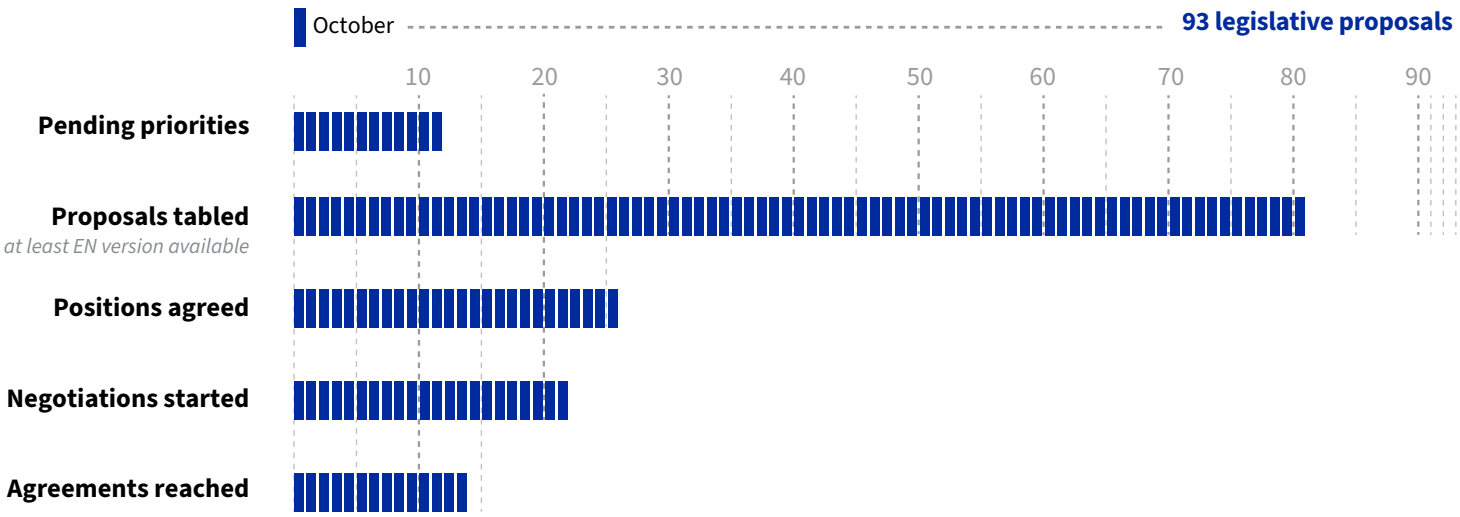
- *European Grids package (2)*
- *Digital Euro (3)*
- *European Business Wallet*

1 agreement reached

- *E-Declaration for Posting of Workers*

**The proposals are listed at their latest progress stage*

Dashboard on priority proposals - Joint Declaration and Roadmap



In progress

The three institutions agreed on **ten priorities** and **five strategic building blocks** as a shared core legislative agenda. Work is advancing, including on initiatives strengthening the social dimension of the Single Market. The topical files in the **spotlight** are key proposals discussed between the three institutions during the monitoring cycle from June to October 2026.

State of play October 2026
